They must receive it by 10.00 a.m. on Tuesday 7 February 2012.

Explanatory notes on the business to be considered as special business at the AGM appear on pages 2 and 3 of this document.

The directors consider that all the resolutions to be put at the meeting are in the best interests of the Company and its shareholders as a whole. Those Board members who are also shareholders will be voting in favour of them and the Board unanimously recommends that you do so as well.

Yours sincerely

R G Dench

Chairman

DETAILS OF RESOLUTIONS TO BE PROPOSED AS SPECIAL BUSINESS AT THE ANNUAL GENERAL MEETING

Resolution 14 is proposed as an ordinary resolution. This means that for this resolution to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 15, 16 and 17 are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

The Board of Directors considers that all the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole and unanimously recommends that shareholders vote in favour of them.

Resolution 14

Section 549 of the Companies Act 2006 states that the directors may not exercise a company's power to allot shares or grant rights to subscribe for or convert any security into shares unless given authority to do so by resolution of the shareholders in general meeting.

The present authority of the directors to allot the unissued ordinary share capital of the Company was granted at an Annual General Meeting on 10 February 2011 and will expire at the end of the forthcoming Annual General Meeting. Resolution 14 seeks to give the directors authority to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal value of £99,600,000 representing approximately one third of the Company's issued share capital, excluding treasury shares, at 31 October 2011. At 31 October 2011 the Group held 668,900 treasury shares, representing 0.2% of the Company's issued capital, excluding treasury shares, at that date. The directors have no present intention of exercising this authority, which will expire at the conclusion of the following Annual General Meeting or, if earlier, on 8 May 2013.

Resolution 15

Under Section 561 of the Companies Act 2006, any shares allotted (or, in the case of any shares held in treasury, sold) wholly for cash must be offered to existing shareholders in proportion to their holdings, but this requirement may be modified by the authority of a special resolution of the shareholders in general meeting.

The authority given at the Annual General Meeting held on 10 February 2011 will expire at the end of the forthcoming Annual General Meeting and Resolution 15 seeks to renew it. The resolution authorises the directors to allot or sell shares for cash, other than to existing shareholders or holders of other equity securities in proportion to their holdings, up to an aggregate nominal value of £14,900,000, representing approximately 5% of the Company's issued share capital, excluding treasury shares, at 31 October 2011. In respect of this aggregate nominal amount, the directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three year period where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders. This authority will expire at the conclusion of the following Annual General Meeting or, if earlier, on 8 May 2013.

Resolution 16

This resolution, which is being proposed as a Special Resolution, will enable the Company to purchase, in the market, up to a maximum of 29.9 million of the Company's ordinary shares (approximately 10% of the issued share capital, excluding treasury shares, at 31 October 2011) for cancellation, or to be held in treasury, at a minimum price of 10p per share and a maximum price of not more than 105% of the average middle market quotation for an ordinary share as derived from the London Stock Exchange Daily Official List for the five business days immediately prior to purchase.

The directors would not expect to purchase ordinary shares in the market unless, in the light of market conditions prevailing at the time, they considered that to do so would enhance earnings per share and would be in the best interests of shareholders generally. Any purchases made by the Company will be announced no later than 7.30 a.m. on the business day following the transaction. This authority will expire at the conclusion of the following Annual General Meeting or, if earlier on 8 May 2013.

Resolution 17

Shareholders may give approval to shorten the notice period required for general meetings (other than Annual General Meetings) from 21 clear days to 14 clear days. At an Annual General Meeting on 10 February 2011 shareholders approved the reduction of the notice period for general meetings (other than Annual General Meetings) to 14 clear days notice. In order to preserve this reduction, Resolution 17 seeks to renew this approval. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed. The shorter notice period would not be used as a matter of routine for such meetings, but only where flexibility is merited by the business of the meeting and is thought to be to the advantage of the shareholders as a whole.

A member entitled to attend and vote at this meeting may appoint another person as their proxy to exercise all or any of their rights to attend and to speak and vote at a meeting of the Company. A member may appoint more than one proxy in relation to the Annual General Meeting provided that the member specifies the number of shares in relation to which each proxy is appointed and each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not also be a member of the Company. A proxy form is enclosed for use in connection with the meeting. Proxy forms and any power of attorney or other written authority under which they are executed (or an office or notarially certified copy thereof) should be lodged with the Registrar of the Company at the address shown on the proxy form by 10.00 a.m. on Tuesday 7 February 2012. The appointment of a proxy or any CREST Proxy Instruction (as described below) will not preclude a shareholder from attending and voting at the meeting.

The proxy appointment rights described above do not apply to any person nominated to enjoy information rights under section 146 of the Companies Act 2006 by a member who holds shares on behalf of that person. The rights described in these paragraphs can only be exercised by members of the Company.

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at 10.00 a.m. on Tuesday 7 February 2012 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

As at 29 November 2011 (being the last business day prior to the publication of this notice) the Company's issued share capital consists of 299,745,445 ordinary shares, carrying one vote each, of which 668,900 were held in treasury. Therefore, the total voting rights in the Company as at 29 November 2011 are 299,076,545.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number 3RA50) by 10.00 a.m. on Tuesday 7 February 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than Wednesday 28 December 2011, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
